# *Where do the Yanomami live*

*The Yanomami live right in the middle of the hot, humid and sweltering Amazon Rainforest .*

## *What do they live in*

*They live in a big home made tent Made out of trees and bambo.*

*Yanomami home*

# *Hunting and diet*

*The Yanomami eat mostly meat and also their diet has wild berries and edible flowers. The Yanomami hunt animals themselves; they do not go to supermarkets to get their food.*

## **Outsiders**

*The Yanomami do not like outsiders because where they live is on top of a gold mine. So most of the outsiders want to dig for gold which will ruin the shelter and they wouldn't have anywhere to live .*

# Women

*Women work a lot more than men. Men only have to hunt and cut trees down while women have to take care of children, cook and find wood.*

# Religio

*The Yanomami believe in a God called Omama the spirits are called xapiripe. The shamans call and respond to the calls from the xapiripe .*

# *Day-to-day life*

*girls help their parents throughout the day picking berries and flowers boys on the other hand spend three hours a day hunting and practicing to hunt better.*

# The Yanomami tribe is amazing!!!!

*The Yanomami  
tribe is one of  
the biggest  
tribes in the  
Amazon!*

*Around 26,000  
people are in the  
Yanomami tribe!*

# HAB

*The Amazon is where the most important place to the*

*The problem with the Yanoma top of lots of gold. So lots of p home which means there hom may not have a home any mo*

# BITAT

*the Yanomami live it is the  
em.*

*Yanomami habitat is that it's right on  
people are digging up there  
me is being destroyed so they  
ore.*
