

Ashton Vale Primary

School Vision

We will build a community in Ashton Vale where children are enthused by an inspirational curriculum and where all feel safe and supported so that learning and achievement can flourish. Children will discover their passion and have the confidence to strive for their goals, giving every child the life chances they deserve, no matter what their starting point.

Learning collaboratively, we think more deeply and solve problems together. We share our love of learning and are motivated to make a positive impact on each other's lives.

We believe that academic success is built on a strong foundation of human values such as kindness, courage, equality, aspiration, responsibility and collaboration.
